PARK

TOOL BOXES

RUGGED -- FOR LONG, TROUBLE-FREE LIFE

Years of specialization in the design and manufacture of tool boxes stand behind every Park box. The complete line is engineered to rigid standards of quality and workmanship. There's a Park tool box to fit any purpose—ingeniously devised to store the maximum amount possible, with quick and easy access to every tool.

Shipped in Case Lots Only. All Prices are F.O.B., Grant Park, Illinois

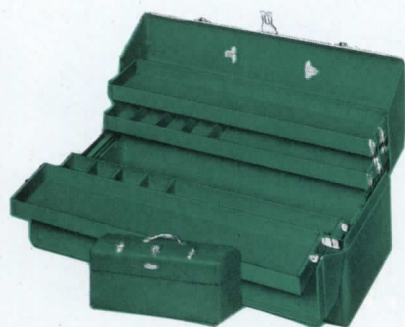

OUTSTANDING FEATURES

- Heavy gauge steel
- Electrically welded seams
- Plated hardware and handles for maximum rust resistance
- Finished in rich, green Kromotex enamel

Hip-roof construction allows tote tray to sit high, thereby giving maximum room for tools, etc. Convenient bar handle tray is designed to hold complete set of standard socket wrenches. Cover has continuous piano type hinge and all outside hardware is heavily plated for rust resistance and sales appeal. The tray in No. 702 and No. 820 tool box is partitioned as illustrated and tray in Model No. 706 has one socket wrench partition. Nos. 706 and 702 are 24G steel . . . No. 820 extra heavy duty is 22G steel. Packed one to a carton, six to a shipping case. No. 820 packed one to a carton, 4 to a shipping case.

MODEL	SIZE	CASE WEIGHT
702	7 1/4" x 8" x 20"	Case of 6—56 lbs.
706	7 1/4" x 8" x 16"	Case of 6—45 lbs.
820	8 1/2" x 8 3/8" x 20"	Case of 4—50 lbs.

Ideal for plumbers, steam fitters, garage mechanics, or the home handyman. Four cantilever type trays . . . 2 lower trays have four partitions each—2 top trays are plain. Heavy gauge cold rolled steel and electric welding give this and all Park boxes the longest life possible. Packed one to a carton—four to a shipping case.

MODEL	SIZE	CASE OF FOUR
1780	8 1/2" x 11" x 17"	50 lbs.
2180	8 1/2" x 11" x 21"	60 lbs.

Four cantilever trays with compartments of varying sizes. The many partitions make this an ideal box for small parts as well as tools. Tray mountings are made from extra heavy steel, bright cadmium plated. Packed one to a carton—four to a shipping case.

MODEL	SIZE	CASE OF FOUR
1786	8 ½"x11"x17"	50 lbs.
2188	8 ½"x11"x21"	60 lbs.

Model 732 Carpenter Tool Box is equipped with a full length tray, hangers to hold level, and inserts in bottom to hold three saws; cover has a perforated slot to allow clearance for square. Finished in rich green Kromotex enamel. Packed one to a carton—four to a shipping case.

MODEL	SIZE	CASE OF FOUR
732	7 ¼"x8"x32"	54 lbs.

Large and roomy, this box holds a great many tools for its size. Bar handle tray has provision for holding complete set of standard socket wrenches. Tray lifts out for quick and easy access to tools underneath. Handsome rich green Kromotex enamel finish. Packed one to a carton—8 to a shipping case.

MODEL	SIZE	CASE OF EIGHT
168	7 ¼"x5 ¾"x16"	54 lbs.

A brand new idea—a slide back or lift out tray. When you want a tool on the bottom, just slide the tray back for easy access. You want the tray out? Just slide it forward and lift it out. Tray has six roomy compartments. Packed one to a carton—8 to a shipping case.

MODEL	SIZE	CASE OF EIGHT
170	7 ¼"x5 ¾"x16"	54 lbs.

PARK

TOOL AND TACKLE BOXES

A single tray cantilever type all purpose tool box, made from heavy gauge steel with all seams electrically welded. Cover has continuous piano-type hinge. All outside hardware is heavily plated for rust resistance. Finished in rich green Kromotex enamel. Packed one to a carton. Six to a shipping case.

MODEL	SIZE	CASE OF SIX
700	7 1/4" x 6 5/8" x 20"	50 lbs.

THE FISHERMAN'S FINEST FRIEND

This PARK tackle box has the same fine quality as the tool boxes — electrically welded seams — heavily plated hardware — finished in rich dark green Kromotex enamel. A really complete tackle box.

The two top trays have light individually cork-lined compartments—each to protect lure finishes and hook points. Lower trays have four compartments each for hooks, sinkers, leaders, etc. Packed one to a carton, four cartons to a shipping container.

MODEL	SIZE	CASE OF FOUR
1786C	8 1/2" x 10" x 17"	50 lbs.
2188C	8 1/2" x 10" x 21"	60 lbs.
